What difference does the ministry of St. Peter make? Our Church Council members were asked to share why St. Peter matters to them. Below are some of their responses.

- ◆ I like being a member at St. Peter. The people are caring and passionate about church. My faith gets recharged when I am there.  
*Mike Stevens*
- ◆ St. Peter accepted me from the day I walked in the door, as they have done for many others. Even before my wife and I were married (She was raised at St. Peter). I was going to church events. When I finally did become a member people were surprised I was not a member already. St. Peter gave me my religion back when my former church made me want to walk away from it.  
*Tim Willer*
- ◆ St. Peter is my home, it's my family. I want St. Peter to be here in the Norwalk community for years to come. I want us to continue our outreach to not just our community but also globally. We need to spread the gospel message and make the world a better place for all God's people.  
*Vickie Hemenway*
- ◆ My life for the past 18 months has been filled with lots of changes, challenges and uncertainty both personally and professionally. However, going to church strengthens my faith and gives me the assurance that the love and strength from God is something that will always sustain me no matter what I am facing in life. So many times God has reminded me to stay strong and courageous during these difficult times and I am so thankful for his presence in my life.  
*Amy Parcher*

St. Peter matters. Our ministries matter. Who we are and what we do makes a difference in the lives of our members and in the world. What a gift it is to belong to this

## SEEK IN PRAYER GOD'S WILL FOR YOUR GIVING

What do we tend to do when the church asks for our support?

The common tendency is to consult our spouse, our budget, our bills, our income, our tax situation, our investments, our accountant, etc., and then determine what we can afford or spare.

Instead we should as Christians seek to discover what God's will is for us in our giving. A Christian pledge can really only be made on our knees, seeking God's will in fervent prayer.

Prayer is an integral part of the Christian life. The decision on how much to give should not be made without seeking first in prayer what God would have us do and listening for the voice of God in the prayer conversation.

Giving to the church is not a financial transaction. Instead, giving to the church is a spiritual exercise undertaken only after conversation with God.
