

Christian Day Nursery School

February 2019

Three Year-Olds

FEBRUARY is here, even though **WE** may be tired of the winter months, there is plenty of excitement in **OUR** classroom. We will be focusing on letters, especially the letters in your child's name. We will be talking about Valentine's Day, hearts, loving our families and caring for our friends. We will also discuss President's Day and introduce coins-penny, nickel, dime and quarter

VALENTINE EXCHANGE

We will have a Valentine exchange February 13 and 14 during our party. Your child may bring a valentine for each friend. **PLEASE** do **NOT** address the card "to" anyone. **ONLY** your child's name should be written on the "from" area. We will help your child pass out their valentine cards as part of our day. See Parent bulletin board "Sign up sheet" or call, email if you would like to provide something for the party.

CEREAL BOX—Please remember to bring **ONE** empty cereal box, any size. The children will use these to make Valentine backpacks. We will decorate them during our party.

HALF 1/2 BIRTHDAYS

As some of you have noticed, we are celebrating our friend's half birthdays. These are the children who have a summer birthday, when we are not in school. It can be confusing but this gives each child a special day to wear the birthday crown, be the leader and bring a special snack.

Temple Talk

Hello Friends! We have some wonderful stories this month. We will hear about "The Disciples", "The Beatitudes" and "Joseph helps his Family". During Valentine's Week we will talk about "A Cold Heart or a Warm Heart", what does Jesus want us to have?

The Bible verse for the month is "Your word is a lamp to my feet and a light to my path. Psalm 119:105" and our song will be "This is my commandment". These words will be sent home with your child.

Mark your calendar, April 7th the children will sing at the 10:30 church service at St. Peter, more information to come.

Blessings,

Krista Wagner

Large Motor and Music- Ms Parcher

Thank you to everyone who contributed to the popcorn sales this past fall. We were able to buy both small balls and mini basketballs for the students - every child has their own individual ball - Thank you!

In Large Motor we will be working on ball handling skills, dribbling, passing, catching and shooting balls into a basket. February is "HEART" month and we will be learning about the heart. Music we are concentrating on playing hand bells and learning new songs.

ST. PETER

February 14 is Valentine's Day. Ever since December 26, stores have been filled with pink and red decorations, cards with hearts on the front, boxes of chocolates, and risqué or silly nightwear. Yet we know that love - which February 14 professes to promote - is not all hearts and roses and candy. Love can be hard work. Just think of the last time your pre-schooler threw a temper tantrum at the store. Of course, you still loved the little tyke, but in that moment, it was probably hard not to throw a little temper tantrum of your own!

Love can be hard work. Healthy marriages and healthy families can be hard work. Yet there are those moments when we know that all the work is worth it. When your child is sleeping like an angel, when your spouse or partner says exactly the right thing, when your friend keeps your secrets, then you know how precious love is. And you rejoice that love is part of your life.

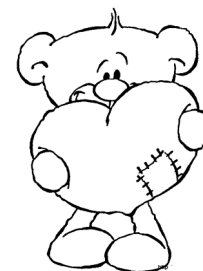

Yet remember that the love we feel for one another - for partner, for children, for friend, for family - is but a shadowy reflection of the pure, unconditional love God has for each of us. Revel in your beloved-ness and know that God, your God, love you this day and for all the days of your life.

YOU ARE MY VALENTINE

(Tune: You Are My Sunshine)

You are my Valentine

You are my Valentine

You make me happy

When I am sad.

You are my Valentine

You are my Valentine

Because you always

Make me glad.

FIVE LITTLE VALENTINES

Five little valentines, I bought at the store

I gave one to Mommy,

Now I have four.

Four little valentines, pretty as can be.

I gave one to Daddy,

Now I have three.

Three little valentine red, white and blue

I gave one to brother (sister)

Now I have two.

Two little valentines for everyone

I gave one to friend

Now I have one.

One little valentine, what should I do?

I know, I'll give it to YOU!

THE ALPHABET TREE

(Tune: Here We Go Round The Mulberry Bush)

Here we go round the Alphabet tree,
the alphabet tree, the Alphabet tree.

Here we go round the Alphabet tree
singing the sounds of letters.

This is the sound the B can make

“b”, “b”, “b”

“b”, “b”, “b”

This is the sound that B can make in words
like ball and baby.
