Dear Parent/Guardian,

Thank you for your interest in Christian Day Nursery School.

Purpose: The Christian Day Nursery School provides a Christian environment to aid in a child's total development...physical, emotional, social and spiritual. The program is designed to help the child in a gradual adjustment from home to school life and to develop a readiness for future schoolwork. The program is flexible to permit the teachers to plan activities for the needs and abilities of the children in the class. The program provides for both quiet and active play.

Sponsorship: The Christian Day Nursery School is a non-profit, interdenominational, interracial and non-political institution, an outreach ministry of St. Peter Evangelical Lutheran Church, Norwalk, Ohio. The Christian Day Nursery School Board of Education of St. Peter Evangelical Lutheran Church is to provide guidance and support to the Director, staff and parents of the enrolled students of the school. In all matters, the Board is accountable to the SPELC Council.

Licensing: The Christian Day Nursery School (CDNS) is licensed by the Ohio Department of Job and Family Services and operates according to rules and regulations developed by the department. A copy of the licensing rules and laws is available upon request. Our license is on display in the CDNS office off the Church office. The CDNS licensing records, including compliance report forms from the department and evaluation forms from the Health, Building and Fire Department that inspect the school are available upon request. The toll-free number for the Department of Job and Family Services is 1-877-302-2347. This number may be used to report a suspected violation by this school of Chapter 5102: 2-12 of the Administrative Code.

Admission Policy: There will be no discrimination in the registration of children due to race, color, religion, sex, or national origin. CDNS accepts children on a first come, first serve basis. Parents must complete and return a registration form with the registration fee of \$50.00, this fee is non-refundable. Children must be Toilet Trained, no pull-ups allowed due to our CDNS Board ruling 4-12-2010. We will also need a copy of the child's birth certificate.

Health Records: The State of Ohio requires that a Medical Statement signed by a physician be on file at school. This form expires 13 months after the date of the medical exam. If school is still in session, an enrolled child must have a new medical exam and new health form filled in and returned to the school.

Custody Agreements: In legal separation or divorced family situations, a copy of temporary/permanent custody papers must be in the child's file while attending Christian Day Nursery School.
