God's Work. Our Hands.

November 4, 2021

Dear Co-worker in Ministry:

Your participation in the life of St. Peter Lutheran Church is very important and special. By joining together with other members and friends, our congregation continues to share the Gospel here and across the country and world.

During these past 18 months, our congregation played a critical role in bringing hope and love to our community. We realized the centrality of shared worship and how important it was to care for one another. We also worked to continue to serve our community even as we all dealt with the challenges and restrictions of the pandemic and we are continuing to seek innovative ways to share the gospel in our community.

As we consider our stewardship response for 2022, we do so in a world quite different from the past. Some of us are in different places economically than we were. Hopefully, all of us are feeling more gratitude for God's love in our lives, as we realize even more deeply the world's need for the gospel of Jesus Christ.

As you consider your gift for the coming year, you are encouraged to consider how it is you can grow in your generosity. Perhaps an additional \$1 per day would work for you, or perhaps you could consider making one additional gift this year to your normal weekly or monthly contributions. Maybe you can increase your giving by 1% over 2021 or double your offering for one month. As we walk together in this journey of generosity, please pray about how God is calling you to grow in generosity this year.

The enclosed Statement of Intent card will be received in worship on the weekend of November 13-14. If you won't be in worship with us that day, please use the enclosed envelope to mail in your intent so that we can include your generosity as we share our progress.

Thank you for all you do to bless this congregation, and for considering how you can grow in generosity in the coming year.

Sincerely in Christ,

Pastor

Council President

P.S. If you prefer, you can simply email your intent for next year to Kathy at stpeternorwalk@gmail.com and your commitment will be recorded from that email.
