

# CHRISTIAN DAY NURSERY SCHOOL

## FOUR YEAR-OLD

### JANUARY 2023

#### **Mother Goose Book**

All month the daily art projects will be Nursery Rhyme book pages that will be put together at the end of the month for each child to take home. It is a really neat project, but it does mean that no formal projects come home this month.

#### **Parent Teacher Conferences**

Parent teacher conferences are scheduled for February 21st. Soon, we will begin signups for times. On that day we will not be having class.

#### **School Delays and Cancellations**

Please remember to check the Face Book page and keep updated phone numbers in our ONE call system for cancellations. We follow Norwalk City Schools for that decision, but we **do not delay**. Please use your judgement. If you feel that driving conditions are poor, stay home and stay safe. If you do keep your child home please remember to call the office and let us know that your child will not be attending school that day.

#### **Shoe Reminder**

Please remember, if your child wears snow boots to school, they need to have a pair of school shoes that they change into before entering the classroom. Large motor is every Monday, please make sure they are wearing tennis shoes.

#### **Welcome Back**

We hope you had a wonderful Christmas Break! We pray that you have a healthy and prosperous New Year! We are excited to be back at school and we look forward to completing many fun activities throughout the winter.

#### **Mother Goose Day**

This month we are focusing on rhyming, a very important pre-reading skill. All month, we will read nursery rhymes and rhyming books. We would also like you to choose a rhyme with your child and help him or her memorize in order to recite it on February 9th. We will present a program to family and friends in which your child will recite their rhyme to the class. You may also choose to have your child dress the part. The program will occur the first 45 minutes of class. Please mark your calendars! This is subject to change depending on what covid precautions may be necessary at that time. We will also have our Valentine Party on that day. Much more information to come.

## Large Motor and Music

**Large Motor** - Students will continue to work on throwing skills and eye-hand coordination. We will be throwing white puffy yarn balls as we pretend they are snowballs for the month of January

**Music** - We will be having Jody Chaffee, from the Firelands Symphony Orchestra, demonstrating and having the children play instruments on Monday, January 30th.

**Body System** - Respiratory system we will be focusing on this month. Children will understand why the lungs are important to our body and how the oxygen gets into our blood stream.

Thank you - Becky Parcher

## ST. PETER

Well, that's another year in the books. It was a mixed bag, I suspect, as most years are. I hope you weathered 2022's challenges well and with a bit of grace. And I hope you gave thanks to God for the blessings that were granted to you.

I am moved in late December/early January to clear things out and start over. I clear out last year's files and either store or dispose of them, and then I set up new files for the new year. I clean out my closets and try to organize what's left. I put away Christmas decorations, getting rid of the worn-out ones, and sorting what's left into labeled totes. I clean and clear up stuff in my home, my office, and my life. The new year is a kind of 'little Lent,' as I focus on decluttering, disposing, and re-organizing my life. There's always a sense of accomplishment and satisfaction when I do these things. Perhaps you know that feeling.

As we move into a new year, may you find your own means to satisfaction and a sense of accomplishment. And may God bless you and your family in this new year.

Peace, Pastor Ann

## TEMPLE TALK

Welcome back friends! I would like to thank you all for my heart felt Christmas gifts! I am truly blessed.

Our song this month will be the B-I-B-L-E and our bible verse comes for Matthew 7:24"Everyone who hears my words and puts them into practice is like a wiseman."

We will hear stories about the *Three King, The Boy Jesus, Jesus Visits the Temple* and *Jesus is Baptized.*

God Bless,  
Krista Wagner

## **Snow**

("Up on the Housetop")  
Look at the snow falling down,  
Covering everything in town,  
Over the grass and cars and street,  
Snow is winter's special treat.  
Snow, snow, snow beautiful snow,  
Snow, snow, snow watch it grow-oh!  
Snow on the housetops, yes sir-ee,  
Snow is falling just for me!

## **Snowflakes**

(Tune: Twinkle, Twinkle Little Star)  
Snowflakes falling  
One by one,  
Time to play and have some fun. Build a snowman  
Snowballs too,  
Come and see what you can do. Snowflakes falling  
One by one,  
Time to play and have some fun!

## **Catch a Little Rhyme**

Once Upon a Time,  
I caught a little rhyme.  
I set it on the floor,  
But it ran right out the door.  
I chased it on my bicycle,  
But it melted to an icicle.  
I scooped it up in my hat,  
But it turned into a cat.  
I caught it by the tail,  
But it stretched into a whale.  
I followed it by boat,  
But it changed into a goat.  
When I fed it tin and paper,  
It became a tall skyscraper.  
Then it grew into a kite,  
And flew far out of sight!

## **Dance Song**

(Mulberry Bush)  
This is the way we dance around,  
Dance around, Dance around.  
This is the way we dance around,  
Our snowman in the morning.  
(Continue verses with skip, tiptoe, gallop, hop and twirl)
